## MALA Update

### Extended Delivery Services Update

Our partnership with Amigos' courier network (Trans-Amigos Express, or TAE) occasionally changes as members join and leave the network. Below is the most recent list of changes to TAE membership.

#### Libraries no longer members of Trans-Amigos Express

405/OKC -- Cameron University

857/LTR -- Harding University

9250/TY -- Mt. Pleasant Public Library

855/SPR -- University of Arkansas Libraries

197/TUL -- University of Oklahoma - Tulsa

612/OKC -- University of Oklahoma Health Science Center

43/HOU -- UT-Medical branch- Galveston

**YOU MAY NO LONGER USE THE MALA COURIER TO EXCHANGE ITEMS WITH THESE LIBRARIES. PLEASE UPDATE YOUR RECORDS IMMEDIATELY. IF YOU HAVE ITEMS ON LOAN TO ANY OF THESE LIBRARIES, PLEASE CONTACT THEM TO REQUEST RETURN OF ITEMS VIA USPS ONLY.**

Another related, timely reminder for you: The **Metropolitan Community College Libraries** in Kansas City (all 5 campuses) are part of the MOBIUS academic network. That's Longview, Maple Woods, Penn Valley, Blue River, and Business & Technology (BTC). Two of the campuses are also MALA courier members – Longview and Maple Woods. You can use regular Henry PDF labels to send to these two libraries, but all other campuses require a MOBIUS extended delivery service label.

ONLY libraries found in the Extended Service Label Maker are eligible for courier delivery. You must use USPS or another carrier if you wish to exchange with libraries outside of our partner member networks.

MALA frequently updates the [Partners' List](#) on the website with the latest information we have from our partners. If a library isn't in our label maker database, it will be removed from our Partners List. If you spot a discrepancy between the database and the PDF list, please let us know.
